

Bengal Bulletin

Volume 6 Issue 37

May 29, 2009

This will be our last Bengal Bulletin of the 2008/09 school year. I would like to personally thank everyone for an excellent year. I am very proud of the efforts made by the faculty and staff on behalf of our students. I believe that we impact our young people in many, many, positive ways, and not always in the most obvious or measurable way. For all of you who have contributed to the well being of our students and the overall climate of excellence at OFHS, I say Thank You.

I would like to remind everyone that we will end our year with a breakfast and a brief faculty and staff recognition program on Tuesday, June 2nd, starting at 8:00 A.M. If you like, please take a moment and fill out the [Teacher and Staff Recognition Form](#) located in the main office and attached to this bulletin.

Starting on Monday, June 1st, building office hours will change to the summer schedule. Summer hours are Monday through Thursday, 7:00 AM to 4:45 PM. Offices will be closed on Fridays.

On or around July 1st and August 1st, we will be sending out a summer version of our Bengal Bulletin informing people about summer projects and events. Please check your BHS D email on occasion over the summer and look for our bulletins.

I wish everyone a wonderful summer, and I know that all of us look forward to a June, July, and August full of sunshine, fun, relaxation, and renewal.

From the Associate's Desk

I want to wish everyone a happy and safe summer. Your hard work during the school year is exceptional and I am sure that a well deserved break will be enjoyed by all. Please remember that we will be hosting summer academy and the suite summer school over the next seven weeks. Remember to secure your valuables in a locked cabinet or take them home. There will be an asbestos project as well...so the school will be busy this summer. Thanks again and HAPPY SUMMER !

Activities – R – Us

Our *Freshman Mentor Advisory Program* trainers—Amanda Brown, Kristina Dace, Celia Murnighan, Lori O'Shea, and Matt Ouwinga—deserve special recognition for their commitment and dedication to a program that is essential to helping our freshmen succeed in school. A sincere thank you is extended to our staff members who requested a Freshman Study as part of their supervision or who volunteered to supervise the extended class study groups on advisory days. Your support of the advisory program is truly appreciated. Enjoy the weekend...Savka
