

FOR IMMEDIATE RELEASE
Hillcrest High School Valedictorian Heading to
University of Notre Dame

Armani Sutton of Hazel Crest will be heading to The University of Notre Dame this fall on a full academic scholarship.

“Attending the University of Notre Dame is a dream come true! I can’t wait to meet new people, build lifetime friendships, learn from top notch professors, and of course attend the football games!” stated Sutton.

Sutton not only received one scholarship but two large scholarships as well as several others totaling a “free ride.” The scholarships Armani received concentrate on academic achievement. Sutton will have to keep a 3.5 grade point average to keep his scholarships from year to year. A 3.5 G.P.A. won’t be anything new to Sutton. At Hillcrest Sutton finished with a 5.7 G.P.A. which included three semesters of straight A’s, and three advanced placement classes.

“I will never forget the day when I opened the letter of acceptance. Seeing the word ‘congratulations’ was the only thing I could remember. That was all I needed! I am ecstatic to go and can’t wait to experience the Notre Dame family” stated Sutton.

Armani Sutton plans on majoring in finance at the nationally ranked Mendoza College of Business at Notre Dame, and would like to pursue a career as an investment banker or actuary.
