

Tinley Park High School is committed to providing a rigorous academic experience coupled with interventions and programs to maximize the learning potential of our students. We thrive academically because of the commitments made by our students, staff and stakeholders. The relationships that have been established with parents and community organizations truly provide a solid foundation to complement our educational process and help foster life-long learners. In regards to academics, our plan is to continue to focus on Math and Reading skills across all grade levels.

Programs that have been set in place to improve student achievement include:

- Daily PSAE warm-ups in core academic classes
- Writing, Math and Reading strategies across the curriculum
- Analysis of EPAS scores in regards to student academic growth
- First Alert Freshman intervention program to provide assistance to struggling 9th graders
- Sophomore Transition Program (STP) to provide academic aid for struggling 10th graders
- Step Up Challenge – Allows students to “step up” to a more rigorous academic course
- Titan Tutor Program
- ACT/PSAE/Work Keys Test Preparation programs
- Motivational classroom speakers/visits
- Summer Academy Program offered to provide incoming 8th graders with an academic boost
- Use of School Improvement Days to conference about successful strategies in the classroom.

Our plan is to employ the following reporting avenues to keep our constituents informed of the successful happenings at Tinley Park High School:

- Titan Tiding newsletters sent to all parents, chambers, mayors, churches and feeder schools
- Speaking engagements to civic organizations, chambers and feeder schools
- Active Memberships with local service organizations: Rotary/Chamber of Commerce
- Parent/Teacher Conference Days
- Realtor Days – Invited to school to discuss programs and tour facility
- Annual Senior Citizen Day
- Alumni Tours/Alumni Hall of fame to foster the pride of our former graduates
- Articulation meeting with feeder school principals and teachers
- Continual relationships with Newspapers and other local media outlets
- Relationships/Meetings with Booster Organizations
