

Process Map: How to Make a Steak Dinner

- *change your clothes
- *select a menu
- *beg someone else to clean up the kitchen for you
- *invite 20 of your closest friends
- *make sure you have enough fuel for the grill
- *buy more than you need at the grocery store

- *go home and cook like crazy
- *determine if you can actually make what you've selected
- *tidy up the house (stuff everything into closets)
- *greet your guests with a smile ☺
- * make a shopping list
- * determine what ingredients you need
