## QAR Review Worksheet

Directions: After reading the selection, create review questions and answers for each category.

**Right There:** *Words in the text that generate the question and answer are in the same sentence.*

---

---

---

---

---

---

---

**Author & You:** *Rely on prior experience, information provided by the author, and your reasoning for how it all fits together.*

---

---

---

---

---

---

---

**Think & Search:** *Use different parts of the selection to answer the question.*

---

---

---

---

---

---

---

**On My Own:** *Rely on your own experience to answer the question.*
